

The image shows a highly detailed section of an Islamic building's facade, likely a mosque or palace. It features two prominent horseshoe arches supported by a central column. The arches and the surrounding wall are covered in intricate carvings and geometric patterns. The background behind the arches is a dark, textured surface, possibly a wall or a screen. The overall color palette is warm, dominated by the golden-brown tones of the stone or plaster.

LASST UNS GUTES TUN AN  
JEDERMANN, ALLERMEIST ABER  
AN DES GLAUBENS GENOSSEN.
